2. Transcript

M: Do you remember? Your birthday party? (**elaboration, child**) Actually we had two birthday parties, ok? when you had your birthday (**elaboration, co-agency, child**). One party with the family. (**elaboration, co-agency**)

C: And one party with the children. (**elaboration, co-agency**)

M: One with the children. (**repetition of child's answer, co-agency**)

C: Henriette, Micha, Fabienne (**elaboration, social context**)

M: Mich and Fabienne were there, (**repetition of child's answer, social context**) exactly (**confirmation**)

C: And Henriette (**elaboration, social context**)

M: and Henriette (**repetition of child's answer, social context**)

C: And of course me too (**elaboration, child**)

M: And of course you. (**repetition of child's answer, child**) And Jacob? Was he there too?. (**elaboration, social context**) No, right? (**prompt, rest**). Jacob was with grandma (**elaboration, social context**). And what else did we do? (**elaboration, co-agency action**). Do you still remember (**prompt, rest**). Who came first? (**elaboration, social context action**) Do you remember who came first from the children? (**repetition, social context action**)

C: mhmhm (placeholder)

M: Fabienne came first (**elaboration, social context action**) and brought a big gift. A huge box. (**elaboration, social context action**)

C: It is here (Associative talk, **nonsocial context**)

M: It is here, (Associative talk, **nonsocial context**) exactly (Associative talk). It is so beautiful that we kept it, right? (Associative talk, **nonsocial context, personal judgment**). Ina wrapped it so nicely. (**elaboration, social context action, personal judgment**) And

what was in it? (elaboration, nonsocial context) Do you still remember? (prompt, rest)

C: Lego stones (elaboration, nonsocial)

M: Lego stones, (repetition of child's answer, nonsocial context) exactly (confirmation)

C: there was an animal in it, like in the kindergarten, (elaboration, nonsocial context) there was a dog in it (elaboration, nonsocial context).

M: Also a dog? (repetition of child's answer, nonsocial context) Yes, (confirmation) right (confirmation) , I can remember it. (Metamemory)

C: In the kindergarten is also a dog (Associative talk, nonsocial context).

M: Mhm. (Associative talk) And what else was inside? (prompt, nonsocial context)

C: I had two dogs (elaboration, nonsocial context). One dog for my birthday, (repetition, nonsocial context) and the other one I do not remember. (Metamemory)

M: the other dog, (repetition of child's answer, nonsocial) yes (confirmation), that you have already for a long time, right? (Associative talk, child) I think, I bought it for you, some time ago. (Associative talk, mother action) Yes, (associative talk) you have it for a long time. (associative talk, child) And then Henriette came.... (elaboration, social context action)
