2. Transcript

M: Moritz , do you remember who came to visit us over the weekend? (elaboration, social context action)

C: No (negation)

M: No? (repetition of child's answer) Do you want me to tell you? (meta-level) Who was here to show us his new car? (elaboration, social context)

C: *** Which new car? (elaboration, nonsocial context)

M: Who showed us his new green Volkswagen? (elaboration, nonsocial context)

C: *** Don't know. (memory placeholder)

M: It was Jürgen. (elaboration, social context) Did you forget again, that he visited us? (metamemory comment)

C: But it was silver. (elaboration, nonsocial context)

M: Silber was it? (repetition of child's answer) Ok, (confirmation) ok ,(confirmation) like silver green, (elaboration, nonsocial context) ya, (confirmation) you are right (confirmation). And have you been happy that Jürgen was here? (elaboration, agency emotion)

C: Yea (confirmation)

M: Yes? (repetition of child's answer)

C: What kind of voice is coming now? (off-topic)

M: there is no voice coming now. (off-topic) We can talk, little bird. Hm? (meta-level) And what did we do with Jürgen? (elaboration, co-agency action)

C: Don' t know (memory placeholder)

M: But yes (negation)

C: That' s so long ago (metamemory comment)

M: Long ago? (metamemory comment)

C: Yes (metamemory comment)

M: First we cooked. Lunch. (elaboration, co-agency action) He came, when mama was on a walk with Merle, ok? (elaboration, social context action, mother action). And you showed Jürgen first your new railway with the trains. (elaboration, agency action) And you moved out everything out of the box? (elaboration, agency action)

C: * No, (negation) the railway was already arranged. (elaboration, nonsocial context)**

M: Ok, (confirmation) that's right, (confirmation) the wooden trains were already arranged (repetition of child's answer, nonsocial context) you connected the other tracks, right? (elaboration, agency action)

C: Yes (confirmation)

M: And what kind of track did you arrange?? (elaboration, nonsocial context)

C: a big, big one, dupp, dupp, dupp, dupp, until the end of the children's room. (elaboration, nonsocial context)
